WHAT SHOULD I KNOW FIRST?

Grants and Scholarships do not have to be repaid.

Most **loans** must be repaid, under most circumstances. Education loans usually have low interest rates, and most do not have to be repaid until the student leaves college.

Fellowships are funds granted for advanced study. In many cases, Fellows share similar professional interests.

Student Employment is a job that the college coordinates or assigns for the student to offset the cost of attending school.

Federal Sources for Financial Aid (17/18)

Federal Parent Loan for Undergraduate Students (PLUS)

- Loans made to parents who are then responsible for repaying the amount borrowed.

Federal Pell Grant - Direct aid for students based on need. Maximum amount awarded for the 2017 – 2018 academic year is **\$5,920**, depending upon program funding, financial need, and costs of attendance. **FAFSA completion automatically targets students who may qualify.** (See next page for FAFSA information.)

Federal Stafford Loan

Federal Stafford Loans are a form of federal loans available to students who are enrolled in college at least half-time. Borrowers who receive a Federal Stafford Loan may be eligible for the US Department of Education's Stafford Loan Forgiveness Program for teaching. Upon meeting specific criteria, including teaching for five consecutive, complete school years in a low income school, recipients may be eligible to forgive up to \$17,500.

Federal Supplemental Educational Opportunity Grant (FSEOG)

- Grants of \$100 to \$4,000 for students with exceptional financial need.

Federal Work Study Program (FWSP) - Jobs on campus for students with financial need.

Interested in becoming a teacher?

The **SC Teachers Loan Program** encourages South Carolina residents to enter the teaching profession. These loans are forgiven by teaching in a SC public school in a critical subject and/or critical geographic area. Current critical subject areas include the following:

Secondary Mathematics, Secondary Science (Biology, Chemistry, Physics, and Science), Media Specialist, Special Education (all areas), Spanish, French, Latin, Family/Consumer Science, Business/Marketing/Comp Tech, German, Secondary English, Theater, all Middle Level Areas (Language Arts, Math, Science, Social Studies), English as a Second Language, Art, Health, Dance, Career and Technology, Russian, Chinese, Japanese, Literacy, Engineering, Speech Language, Agriculture, Music, and Gifted and Talented

Do you qualify? You must:

- rank in the top 40% of your high school graduating class

- be a SC resident
- be a citizen or permanent resident of the United States
- have a SAT or ACT score equal to or greater than the SC average for the year of graduation from high school

The loan is renewable. To renew the loan:

- students must re-apply each year
- undergraduates must have a cumulative GPA of at least 2.75 on a 4.0 scale

To be eligible for the loan after the freshman year, a student must take and pass the Praxis Core examination. Students with a SAT score of 1100 or greater (1650 for exams taken on or after March 1, 2005) or an ACT score of 24 or greater are exempt from the Praxis requirement. For information on the Praxis, visit the ETS Web at www.ets.org/praxis or call 609.771.7395.

Freshmen and sophomores may borrow up to \$2,500 per year. Juniors, seniors, and graduate students may borrow up to \$5,000 per year. If a borrower decides not to teach or does not teach in a critical area, the loan must be repaid.

Loans are forgiven at the rate of 20% or \$3,000, whichever is greater, for each year of full-time teaching in a critical subject area or in a critical geographic area in a SC public school. The loan is cancelled at a rate of 33.3% or \$5,000, whichever is greater, for each year of full-time teaching in both a critical subject area and a critical geographic school.

Ken Bower Teacher Cadet Scholarship

The Ken Bower Teacher Cadet Scholarship, named in memory of Dr. Ken Bower, an architect of the original Teacher Cadet course and curriculum, is awarded each year to as many as five senior Teacher Cadets who intend to become classroom teachers in one of South Carolina's many public schools. Teacher Cadet instructors receive notification of the call for applications early each calendar year, and the additional scholarship information can be found at <https://www.teachercadets.com/ken-bower-scholarship.html>.

Applications must be postmarked on or before March 31, 2018. All applicants, even those who are not selected, will be notified by May 11, 2018. Thanks to the generosity of silent auction "shoppers" at CERRA's 2017 Pre-Collegiate Fall Renewal Conference and the SC Teacher Forum Conference, recipients will receive a one-time award of \$1,000.00. The award is mailed directly to the recipient's college or university in August and is applied to his or her account. Awards are determined based on the merits of scholarship, school and community involvement, teacher recommendations, and a written essay. The Ken Bower scholarship is not "needs-based" and does not rely on the Teacher Cadet's family financial information. Teaching Fellows may also be recipients of the Ken Bower Scholarship.

**Scholarship recipients will be announced
by May 11, 2018!**

Need some good advice?

Be careful when searching for information on student financial aid. Don't fall prey to fraud.

The College Scholarship Fraud Prevention Act helps protect against fraud in student financial assistance.

The Federal Trade Commission (FTC) cautions students to look for tell-tale lines such as these:

"You can't get this information anywhere else."

"I just need your credit card or bank account number to hold this scholarship."

"The scholarship is guaranteed or your money back."
