

PILOT CLUB OF DILLON

Pilot International is a volunteer service organization offering its members vast opportunities to make a positive difference in their communities and globally as they build lasting friendships within their clubs. Pilot Club volunteers conduct programs, projects, and fundraisers that include many areas of charitable service at the local level. Also, we support the overall service focus of Pilot International: brain safety, brain research, and assistance to those with brain related disorders such as Alzheimer's disease, chemical dependency, traumatic brain injuries, brain cancer, autism and numerous other developmental, emotional and mental disabilities.

The Pilot Club of Dillon gives a scholarship every year to a high school senior, in the amount of \$300.00. Please write an essay about yourself and why you feel that you should receive the scholarship. Please turn this into the Guidance Counselor by Tuesday, April 24, 2018.
