

PTF
Parent Teacher Fellowship

Dear DCS Families,

On behalf of the PTF leadership team, allow us to invite you to join in supporting our beloved school and furthering our ministry to our students, staff, and community. One way you can do this is by participating in a unique and easy fundraiser that does not require selling and will not cost you a penny more than you already spend! This innovative approach allows you to contribute effortlessly while continuing your regular shopping habits. Your ongoing support is invaluable, and together, we can make a significant impact on our school and its mission.

We would like to take this opportunity to introduce our gift card fundraiser, which is a year-round initiative that provides substantial benefits to our school and directly to you as well! By participating in this fundraiser, you can purchase gift cards for your favorite stores and restaurants, and a percentage of each purchase will go to supporting our school programs and activities. It's a win-win situation: you get to shop at places you love while contributing to the betterment of our educational community. Your involvement helps us enhance the learning environment and provide more opportunities for our students.

How does the Scrip Gift Card Program work? Our gift card program is straightforward and beneficial for both you and our school. We purchase gift cards at a discount from United Scrips and sell them to you at their full face value, with the school benefiting from the difference. Additionally, we collaborate with local restaurants and businesses that offer us a generous profit percentage on their gift cards. You can use these gift cards for everyday purchases or as thoughtful gifts. To participate, please submit your orders by Tuesday morning at 11:00 a.m. for timely processing. You can choose to have the gift cards sent home or pick them up on Thursday afternoon. Don't forget to remit your payment to the office when placing your order. This program not only makes your shopping convenient but also supports our school community.

How does this help your family? The Scrips Gift Card Program offers a fantastic opportunity to earn tuition credits! Once your family reaches \$100 in profit per child or \$250 in profit for a family of three or more, 25% of all additional profit generated will be applied to your tuition for the following academic year. For instance, any tuition credit accumulated this year will be applied to your August 2025 tuition payment. This program is truly a win-win for everyone! We also encourage you to spread the word to your friends and family. They can purchase gift cards to support your child's education too.

Please feel free to contact us with any questions. Belinda Wilcox is the point person in the office for the Scrips program at DCS and is available to answer questions as well. God Bless and Go Warriors!
